ARISE & SHINE

## OUR VISION

To develop a knowledge based society with clarity of thoughts and charity at hearts to serve humanity with integrity.

## OUR MISSION

To empower youth to be technocrats of tomorrow with absolute discipline, quest for knowledge and strong ethos to uphold the spirit of professionalism.

# TECH PALLOTTINE VALUES

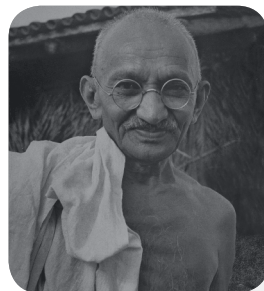

LET'S WALK THE TALK

## HUMAN DIGNITY

*We realize the inherent worth and value the dignity of each individual, irrespective of caste, colour, creed, and gender. Our response is guided by love, goodness, and compassion for humankind.*

- MOTHER TERESA

## SOCIAL RESPONSIBILITY

*Our talents, skills, and knowledge are assets to make positive difference in the lives of people as well as organizations we are in. Our lives guided by objective values should help create a just, equitable, and peaceful society.*

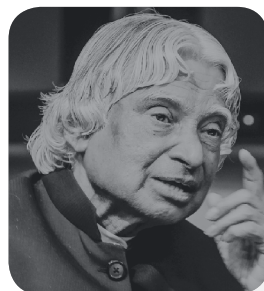

- MAHATMA GANDHI

## FULFILLING COMMITMENTS

*Unlimited potential within humans can be realized only by fulfilling personal, social, and spiritual responsibilities. Commitment to work based on these responsibilities can unleash positive energies imperative for realizing one's potentials.*

- JAMSETJI TATA

## MUTUAL TRUST

*We view challenges as opportunities and believe in walking the extra mile. We endeavor to blaze a trail rather than follow a beaten path.*

- DR. A.P.J. ABDUL KALAM

## PROFESSIONAL LEADERSHIP

*We maintain transparency with all our stakeholders and share important developments with them to build up a trustful relationship.*

- N. R. NARAYANA MURTHY

ST. VINCENT PALLOTTI

ST. VINCENT PALLOTTI (1795 to 1850) was born in Rome and founded the society of the Catholic Apostolate (The Pallottines) over 150 years ago. In St. Vincent's time there was a tremendous desire for positive action. Many men and women were drawn to St. Vincent's spirit and spread his message all over the continent. St. Vincent Pallotti's dream was to enable people to assume their proper role in the mission of church and to establish a community to translate his vision into reality. He believed that all are called to revive faith, rekindle charity and be apostles. St. Vincent Pallotti was actively involved in the education of children and young people. He founded night schools in the city of Rome. He was beatified in 1950 and canonized in 1963 during Second Vatican Council. St. Vincent Pallotti lived and worked by the motto *"The love of Christ urges us on"*. We too are guided by this motto in various apostolate. His commitment to his apostolate led him to start orphanages, night school and technical institutions that exist even today. Besides, he had special compassion for prisoners, soldiers and the sick. He was also the spiritual director of several roman colleges.

## THE PALLOTTINE SOCIETY

The society founded by St. Vincent Pallotti has numerous institutions in 52 countries across the globe. In India, the Pallottines have premier educational institutes of higher learning in Maharashtra, Goa, Chhattisgarh, Madhya Pradesh, Delhi, Jharkhand, Bihar, Tamil Nadu, Karnataka and Kerala.

The Nagpur Pallottine Society which manages St. Vincent Pallotti College of Engineering & Technology, Nagpur is a part of the global Pallottine entity and is a Non-Profit Organization established in 2003 at Nagpur. The society aims at developing the nation with Educational, Social, Medical and Spiritual interventions as per the need of the time. The educational activities of the society spring from the basic theological concept that man is created in the "image and likeness of God".

### Faith Perspective

*“Catholic educational institutions offer to all an approach to education that has as its aim the full development of the person, which responds to the right of every person to access to knowledge.”*

**HIS HOLINESS  
POPE FRANCIS**

### **Our mission in education is to provide**

*An education that energizes the young to be technically qualified world-class professionals with social commitment and moral values, complemented with globally interactive learning processes and thereby contributing to the nation building so as to evolve a new inclusive Indian Society, which they can own with joy and pride.*

*An education that scaffold learning and to gradually reduce the level of support, thus facilitating and enabling students to demonstrate successful learning outcomes, with high aspirations, personal discipline, intellectual rigor; emphasizing on spiritual formation and the virtue of leading a responsible and ethical life through the integration of faith, social responsibility and service.*

**VERY REV. FR. JACOB NAMBUKAM SAC**  
Rector General of the Pallottines Fathers & Brothers

## MANAGEMENT

### THE CHAIRMAN'S MESSAGE

Dear Parents and Prospective Students, St. Vincent Pallotti College of Engineering & Technology, has carved a niche for itself as a premier Technical Institution in the region, earning accolades in all spheres. The high academic standards it has set for itself and the atmosphere of discipline in which it is conducted has set a bench mark for other Technical schools in the region.

Here, students are constantly encouraged to venture into the areas of research and gain technical knowhow by giving them opportunities through industry-institute interface. SVP CET caters to the overall growth of the student and technological development of the country. WE BELIEVE THAT TEACHERS ARE NOT JUST PEOPLE CONDUCTING CLASSES; THEY ARE THE GUIDING LIGHT OF EVERY NATION, THEY ARE THE ONES WHO INSTILL IN YOUNG MINDS MORALS, STRENGTH OF CHARACTER, DISCIPLINE AND EFFICIENCY WHICH ARE SINEWS OF EVERY NATION.

We certainly believe that your ward deserves the best of the facilities and environment which you will find in our Institute.

I wish all prospective students of the Institute much success in all their endeavors and entrust them to the care of Almighty God.

#### FR. VARGHESE PULLAN, SAC

Provincial, The Prabhu Prakash Province, Nagpur.

# ADMISSION ELIGIBILITY CRITERIA

## For Admission to B.E. First Year

Candidate should be an Indian National and should have passed the HSC (Std.XII) examination of Maharashtra State Board of Secondary and Higher Secondary Education or its equivalent examination with subjects English, Physics, Mathematics and Chemistry / Biotechnology / Biology / Technical Vocational subject

### AND

Secured minimum 50 % marks (minimum 45 % marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only) in the subjects Physics, Mathematics and Chemistry / Biotechnology / Biology / Technical Vocational subject added together.

### AND

Obtained a non zero score in JEE / MHT - CET

## For Admission to B.E. Direct Second Year

The Candidate must be an Indian National and should have passed Post-SSC

**OR** Post-HSC Diploma Course in Engineering /Technology with at least 45 % marks (40 % marks in case of candidates of backward class categories and Persons with Disability belonging only to Maharashtra State) in appropriate branch of Engineering / Technology from an AICTE approved Institution with English as the medium of instruction at Diploma level.

**OR** The Candidate must be an Indian National and should have passed B.Sc. Degree from a UGC / Association of Indian Universities recognized University with at least 45% marks (40 % marks in case of candidates of Backward class categories and Persons with Disability belonging only to Maharashtra State) and passed XII standard examination with Mathematics as the subject and with English as the medium of instruction at B.Sc. level.

## For Admission to M.Tech

Candidate should be an Indian National and should have passed Bachelor degree or equivalent in the relevant field of Engineering / Technology from State Governments / MHRD approved institutions, with at least 50 % Aggregate marks (at least 45% marks in case of candidates of Backward class categories and persons with disability belonging to Maharashtra State only) from an AICTE approved institution. The candidate should have a non-zero GATE score.

## FOR ADMISSION QUERIES:

Get in touch with our expert academic counsellors

**07743979315, 9130085765**

Note: Eligibility criteria for admissions are subject to changes.  
Kindly refer the DTE website [www.dtemaharashtra.gov.in](http://www.dtemaharashtra.gov.in) for further update and changes.

## ON CAMPUS HOSTEL FACILITY FOR BOYS AND GIRLS

*Institute has on campus boys and girls hostel facility with a cosmopolitan culture. Hostels have Wi-Fi facility, spacious well furnished rooms and sports facility. Fathers and Sisters as guardians, it is a home away from home.*

- ▶ Vegetarian & non vegetarian mess
- ▶ Single, double & triple occupancy rooms
- ▶ Wi-Fi hostel campus
- ▶ Sports facility & gymnasium
- ▶ Doctor on call
- ▶ 24 hours security

# Holistic Development

## **HOLISTIC APPROACH TO TECHNICAL EDUCATION IS ESSENTIAL TO DEVELOP PROFESSIONAL LEADERSHIP AMONGST STUDENTS.**

We believe that the teaching-learning process is not merely a 'know how' learning process, but an integrated 'know why' process to develop and transfer technological advancements.

At Pallotti, we motivate and guide our students to organize and participate in a range of extra/co-curricular activities to build traits of self-learning, teamwork and leadership.

The achievements of our students at National Level competitions bear testimony to our successful endeavors.

### Clubs

- a. National Cadets Corps (NCC)
- b. Indian Society for Technical Education Student Chapter (ISTE)
- c. Language Club
- d. Culture/ Music Club
- e. Science & Technology Club

### Social Outreach

1. National Service Scheme (NSS)
2. Pallottine Youth Forum of India (PYFI)
3. Friends' Care Foundation (FCF)

## INSIGHT

*INSIGHT, the annual college extravaganza aimed at developing cultural talents of the students. It provides a platform for creative and innovative display of talent.*

## TECHNEX

*TECHNEX is an annual national level technical festival of the college, conceptualised & organized by students, with the aim of igniting new ideas and exhibiting their technical skills. It attracts hundreds of engineering students from different parts of the country.*

*During TECHNEX, the college conducts various Workshops and Seminars on new trends in engineering in the campus as well as other reputed engineering institutes, so as to prepare students for real time problem solving competitions. It also nurtures their talent in different fields and gives them a platform to put classroom teaching into practical use.*

## PARENT FACULTY INTERACTIVE

*We are known as a vibrant learning community that encourages a three way partnership between Parents, Students and the Institute. The Parent-Faculty Interactive is an annual event that facilitates lasting relationship between the Parents and faculty. We believe Parents, Management and Faculty are stakeholders in the student's holistic growth.*

# University Achievers

## **SURUCHI CHATURVEDI** BATCH OF 2018, ETC

Awarded with 1 Gold medals for securing highest CGPA in BE (Electronics and Telecommunication) in RTMNU Nagpur University's 106th Convocation by the hands of Union Minister, Nitin Gadkari.

## **ROHIT SHARMA** BATCH OF 2018, EE

Awarded with 3 Gold and 1 Silver medals for securing highest CGPA among all engineering branches in RTMNU Nagpur University's 106th Convocation by the hands of Union Minister, Nitin Gadkari.

## **SUPRITI DASH SHARMA**

**BATCH OF 2016, EE**

Awarded with 6 gold, 2 silver medals & 1st prize for securing highest CGPA among all engineering branches in RTM Nagpur University's 104th Convocation

## **REVTI GHADYALI**

**BATCH OF 2016, ETC**

Awarded with 2 gold medals for securing the highest CGPA in BE VII Semester (Electronics & Telecommunication) in RTM Nagpur University's 104th Convocation

## **SONALE KAWALE**

**BATCH OF 2017, EE**

Awarded with 3 Gold & 3 Silver Medals for securing highest CGPA in B.E. 8th Semester (Electrical Engineering) in RTM Nagpur University's 105th Convocation.

## University Toppers: High-Flyers

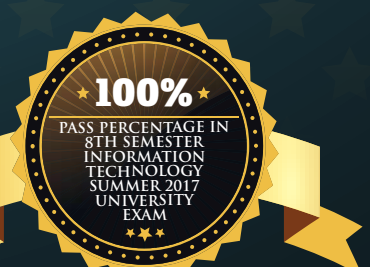

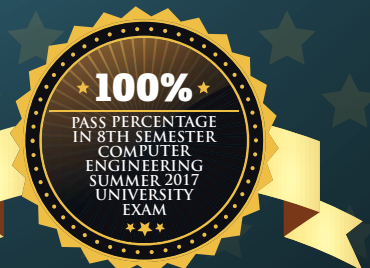

## **SURUCHI CHATURVEDI**

Suruchi Chaturvedi from First Year ETC grabbed 1st position in university scoring **93.12%** in 2014 & **94.50%** in 2015 Exams.

## **RAHUL KAVISHWAR**

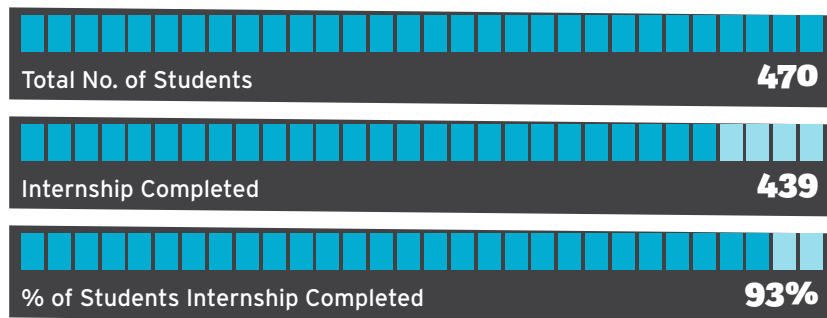

Rahul Kavishwar was awarded with full tuition fee scholarship for securing **90%** and above in consecutive university examinations.

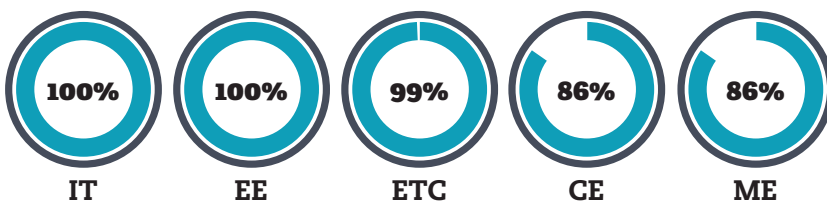

## Industry Institute Interaction Cell

Internship is an opportunity for students to get accustomed with the real corporate world. They get valuable industrial knowledge and it helps them to properly prepare themselves for future interviews and their career. Through the internship, we mentor students to get hands on experience from the industry shop floor. Students were offered internship by DRDO, ISRO, BARC etc.

### Summer Internship 2019 - 6th Sem.

### DEPARTMENT WISE

## Skill Development Cell

It aims to increase the employability skills of our students, who endeavor to contribute to the growth of excellence & innovation in their professions. The cell also endeavors to groom & transform students into highly competent work-professional by providing Technical & Soft Skills and to instill work-ethics & set values in our students to succeed in academics & work.

### SKILL DEVELOPMENT TRAININGS

- ◆ PLC, SCADA
- ◆ IOT & Application
- ◆ CNC
- ◆ Raspberry pi & Python
- ◆ CAD Softwares - ProE, Catia
- ◆ LabView Software

## MOU - IEDC

(Innovation & Entrepreneurship Development Cell)

OUR MOU'S WITH:

### LEMON IDEAS

Lemon School of Entrepreneurship (LSE) is a unique, new age Gurukul with a vision to support, mentor and train budding as well as early stage entrepreneurs.

### NEN-WADHWANI FOUNDATION

Wadhvani Foundation, National Entrepreneurship Network (WF-NEN), a not-for-profit initiative that seeks to contribute to job creation in India and assist academic institutes in creating a vibrant campus entrepreneurship ecosystem.

### HDFC BANK

HDFC Bank CODE-Industry Academia partnership proposal is a startup focused initiative with the purpose of developing a long term relationship with the Institutes.

### HIGHLIGHTS

- 1 Mr. Kshitij Barapatre and Mr. Hrishikesh Ambulkar were selected for a year long Training & Mentoring program worth 2 Lac INR per individual, was being extended to them from our Institute on 100% grant basis from LEMON IDEAS.
- 2 243 students opted for an online course for entrepreneurship WF-100 Course-Lesson 1-"Let's Get Started" in collaboration with Lemon ideas.

### Startup Mela – An Idea

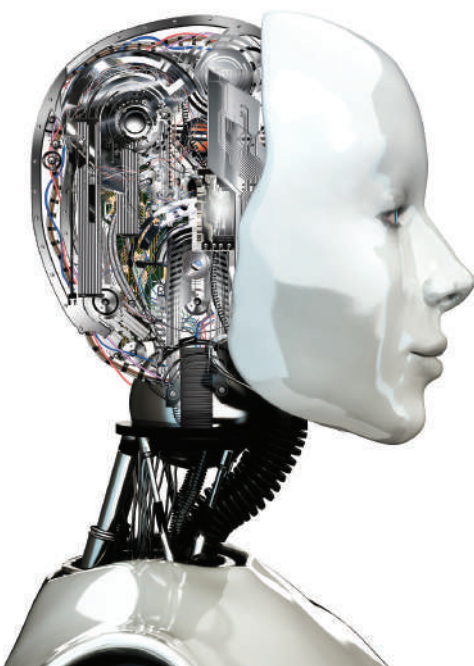

Innovation & Entrepreneurship Development Cell of SVP CET initiated the concept of 'Startup Mela' celebrating Entrepreneurship Day in Jan 2018. 40 stalls were put up in the college premises; each loaded with newness. Students put up innovative mouth-watering stalls, fun games, eye-catching hand-made art, craft & jewelry designed and made by students.

## COLLABORATION WITH HARRISBURG UNIVERSITY, USA

The Institute is racing against time to excel in this digital world. We have understood collaborating with the best is the way forward. In this regard we have forged an academic and research collaboration with the Harrisburg University of Science and Technology, Pennsylvania, USA.

In the academic Year 2019-20 a batch of 9 students and faculty members will be undergoing one month internship at the Pennsylvania, USA campus. The institute envisions to enter into various partnerships which will enhance the academic quotient of the staff and students of the institute.

## E-YANTRA LAB

E-yantra, Embedded and Robotics Lab is an initiative of IIT Bombay and sponsored by MHRD, Government of India. Its journey in the institute began with the participation and winning the robotics competitions in 2012-13. The e-yantra lab was inaugurated under the aegis of Department of Electronics and Telecommunications in July 2015. This lab aims to help students hone skill sets in embedded programming and real world problem solving capabilities using robotics in particular.

## NATIONAL CHAMPIONS 2017 & 2018

'Ashwa Riders - Go Karting', competed with their creation Mirage 2.0 and Mirage 3.0 in the **INDIAN KART RACING (IKR) CHAMPIONSHIP 2017 & 2018**, organised by ISIE INDIA in accordance with the Federation of Motor sports club of India (FMSCI) at The Budha International circuit, Noida. The team finished on the podium as **National Champions** for 2017 & 2018 years consecutively.

## Distinguished Alumni

**KUMARRAJ GUNDALWAR**  
BATCH OF 2010, ETC  
R & D Engineer  
Seagate Technology

**NOOPUR MEHROTRA**  
BATCH OF 2011, ETC  
Mercedes Benz  
Research &  
Development

**ABHISHEK ASOLE**  
BATCH OF 2014, IT  
PGDM  
IIM Indore

**ABHIJIT SAWARKAR**  
BATCH OF 2010, EE

Engineer, HVDC Plant,  
Siemens Germany

**ADITYA DESHPANDE**  
BATCH OF 2011, ME  
PhD Scholar  
IIT Kharagpur

**NITIN KHANDELWAL**  
BATCH OF 2010, CE  
Gold medalist @ IIIT  
HYDERABAD  
MTS Qubole, Bangalore

## Alumni Testimonials

SVP CET is a prestigious institute and has always supported its students to achieve their potential. Personally it has helped me in gaining the relevant knowledge through which I was able to maintain a good academic score and helped me outshine at IIIT Hyderabad.

**Nitin Khandelwal,**  
Batch of 2010, CE

My college has helped me in conquering my fears and improving my soft skills from the first year itself. My teachers used real-life examples which made it easy to understand the complex problems of engineering.

**Anuj Shrigiriwar,**  
Batch of 2011, EE

Professors here are knowledgeable and experienced and they were instrumental in laying a good foundation of engineering in me. They are friendly and ever ready to solve our problems, social as well as personal.

**Ishan Mukewar,**  
Batch of 2011, IT

The skills I learnt during the program have helped me immensely in my career. I strongly recommend our undergraduate & postgraduate programs to all who aspire for a remarkable career. Studying at Pallotti was the best decision I have made in my education journey.

**Shirin Patil,**  
Batch of 2013, ME

There were several reasons why I chose to study at Pallotti. It is well-known for its disciplined environment, clean-green campus and experienced faculty. I always wanted to go into defence and serve my country and glad that I chose Pallotti to fulfil my dream.

**Subham Tulankar,**  
Batch of 2016, ETC
