BRIEF REPORT OF THE ACTIVITY:

“Cleanliness is next to Godliness”, is rightly said; scientifically, it is also true that clean environment increases the life of the beautiful nature.

Keeping these views in mind a cleanliness drive was organised by Prof. Kanchan Wagh under National **Service Scheme Unit of 'St.Vincent Pallotti College of Engineering and Technology'** on '23 August 2014 (Saturday)'. At 1:30pm all the members that counts to 128 students, gathered outside block B to begin the drive, by placing placards all around the Premises. The flex, designed by our friends, displayed various environment-concerned messages.

All the participants were divided into several groups and each one was handed over with the responsibility of cleaning a particular area of the campus. Various department students initiated the drive as follows:

- Students of of ETC and CE department covered the area outside main gate of block A upto Ashokvan .
- Students of EE department covered the area near workshop.
- Students of ME department covered the area near parking and also the area in front and back area of block B.
- Students of IT department covered area starting from Xerox and stationery to canteen.

Every participant had a garbage bag along with a glove. The students also took care of stagnant water spraying cans full of phenyl. The cleaning session continued till 4:00 pm. The garbage collected was dumped into the dustbin. We picked up all sorts of garbage such as plastics, rappers etc.

The Cleanliness Drive made us aware about our responsibilities towards self, others, society and our nation INDIA. Cleanliness may be defined to be the emblem of purity of mind.

With this a new journey began for us as a responsible Indian to be the ‘change’ and make a difference.....
