“LEAVE YOUR *I*'s WHEN YOU LIVE.....LEAVE YOUR *EYES* WHEN YOU LEAVE...”

Mr. Shirish Darvhekar, National Project Director SAKSHAM, discussed the types of disabilities in blind people, the ratio of blind people in entire world and especially in India. He also told about which type of disability can be removed with the help of eye donation, how we can help blind people by donating our eye and make their life better.

Later his team presented one Act play through which they told the audience importance of eye donation. The act is preceded by video which shows how you can change the life of one by donating your eyes. The video really helped to inspire the students for such activity.

Mr. Darvhekar also showed the misconceptions that people have and cleared it through his talk. The last part of the talk included question-answering session followed with distribution of registration forms.

The event was coordinated by Prof. P. P. Walke & Prof. Prajakta Bodakhe.

Display True Courage in Your Everyday Lives

Tech Pallottines Salute Dr. Abdul Kalam and the Martyrs of Kargil.

True courage is not a reckless display of daring but a combination of physical courage, persistence, honesty, discipline, and a single minded focus, said Col. V. N. Thapar, Father of Kargil Martyr Capt. Vijyant Thapar, in his Independence Day address to over 2000 Tech Pallottines, who had gathered on a sunny morning to celebrate the 69th year of India's Independence. The famous defense analyst had come to Nagpur exclusively to take part in the Independence Day celebration at St. Vincent Pallotti College of Engineering & Technology.

Students recited a Patriotic Poem 'Mein bhi Capt. Vijayant Thapar Jaise Banna Chahta Hu' and 'Chalo Aaj Phir Yaad Kare'. The highly talented college choir sang a number of Patriotic songs. A musical skit depicting the undying sacrifice of all those leaders who sacrificed their lives for our motherland was put up creatively by the students. Revathi, a student of Electronics & Telecommunication, gave expression to her thoughts, on how the youth envisages the India of 2020. And those who pay the price in the country's war are the real heroes whom generations of Indians will remember and look forward to for inspiration. Kevin a first year student presented before all the 'Life and Sacrifice' of Capt. Vijyant Thapar, the Gallant Kargil Martyr. Students presented little pieces of memento which expressed a bit of all that his presence and the life of Capt. Vijant meant to them. Fr. George presented a memento and the Decennial Souvenir to Col. V. N. Thapar. A tree plantation program organized by the NSS was inaugurated at the hands of Col. V. N Thapar. Friends Care Foundation under the aegis of NSS conducted a fund raising event, 'Dare to Win It in a Minute'.

The students put up the replica of Amar Jawan Jyoti, a memorial for the martyrs of Kargil, the Brahmos missile, a portrait of Dr. Abdul Kalam to honour the true heroes of India. The national tricolor adorned the College.

BRIEF REPORT / SUMMARY OF ACTIVITY: -

This Independence Day, we students got the opportunity to experience patriotism in a new light-through the joy of giving.

The Friends' Care Foundation under the aiges of NSS organized the fundraiser “Dare to win it in a Minute”, which, as the name suggests involved a minute long variety of games that required just Rs. 10 to play. The fundraiser was mainly organized to help the family of the late Mr. Anil Patil. Funds were also collected for donation to other institutes that provide shelter, education and other basic facilities to the deceased and the unfortunate. To make all this happen, the members of the foundation worked hard for weeks like elves.

On action day, Colonel V.N. Thapar was our chief guest, and also inaugurated the fundraiser. Soon enough, the air was filled with childlike laughter - almost nostalgic, as the college students were either trying to scoop up gems with a spoon in their mouths, or balance balloons in the air. There were a total of fifteen games to honor the historic day.

All this was further livened up by the anchors and DJ's, cheering everyone on, while in the background, the executive team were hard at work, ensuring smooth execution of plans. Few hours into the event, the coupon boxes filled up and the stacks of prizes disappeared like hotcakes.

The crowd looked enthusiastic and content, dancing over the music, continuing their trials and winning prizes. With every moment, FCF marched towards success, doing every bit for the noble cause, finally collecting the cheers and laughter’s of the day in the form of Rs, 10,640 / -, and opportunity to bring those very smiles to the ones in need.

BRIEF REPORT / SUMMARY OF ACTIVITY: -

As is rightly said, *“You have not lived today until you have done something for someone who can never repay you”* ; indeed small gestures can make a big difference for those in need.

Keeping these views in mind, a visit to Deaf and Dumb Industrial School, Nagpur was organized by Prof. Kanchan Wagh under the National Service Scheme Unit of ETC department of ‘St. Vincent Pallotti College of Engineering & Technology’ on 17th Feb, 2016 (Wednesday).

The teachers of the school received us and enlightened us about the special school. It is a co-ed school with many facilities such as library, playground, auditorium, garden and computer learning labs. The school offers primary, secondary and higher secondary education and also avails hostel facility for both boys and girls.

The school has 70 students aged from 5-15 years. We made all the children sit in an open space and provided them with batches for easy recognition of the children. Different competitions for students of different age groups were organized. The school children showed great enthusiasm and zeal while playing. Simultaneously, other competitions such as puzzle solving, chess, snake and ladder, ludo were organized. The school children were quite excited and showed great involvement in all the competitions. Meanwhile the remaining students were provided with drawings and different kinds of colors. Thumb painting and coloring competition was organized. The children were quite creative and talented. All the games viz. Carom, chess, etc. were gifted to the school by Kanchan Wagh Mam’.

With this visit a new journey began for us as responsible people towards the deaf and dumb of the society because gestures appeal to the sense and imagination of an individual.

“Being Women”

"She stood against the wind, and when the wind did not blow her way, she adjusted her sails!" ~ Elisabeth Edwards

Celebrating 'International Women's Day', the NSS unit of Information Technology Department, organized a Poster Exhibition and Personality Showcasing, for all the students of the College on 8th March, 2016.

20 students showcased their art by preparing meaningful handmade posters on the theme, 'Being a Woman'. The personality exhibition covered the domains - health care, defense and education, where women have made remarkable progress, leaving the world spellbound.

The intention of celebrating this day is to revive within people the feeling of being thankful and acknowledging the contribution women have made all over the world, inspiring many and planting a seed of hope in all those trying to make a mark in this world in spite of facing various challenges.

The event was coordinated by Prof. P. P. Walke & Prof. Prajakta Bodakhe .

So lets applaud women who make a remarkable difference at home and in society!

BRIEF REPORT / SUMMARY OF ACTIVITY: -

"Fitness is not about being better than someone else; it's about being better than you used to be."... Anonymous

With this thought in mind, the NSS unit of Information Technology Department, extended their International Women's Day celebration by organizing a 3 days Karate camp for all the girl students', from 9th to 11th March, 2016.

The young women of our College realised the need to equip themselves with the techniques of self defence and the in-house trainers did their best in training the young ones.

There was a huge response from about 250 girls and the students who worked really hard to train them were -

Pushkar Jagtap(IT, 8th Sem): Black Belt

Aishwarya Giradkar(IT, 4th Sem) : Black Belt

Prashant Sarkar (IT, 6th Sem): Brown Belt

Akash Satpute(IT, 4th Sem): Brown Belt

Roshni Seyankar (ETC, 4th Sem): Orange Belt

The girls made full use of the opportunity and enjoyed the training thoroughly, with a spirit of willingness to learn more. Hurrah! Way to go girls.
