**Walk For a Better Tomorrow!**

भाषा धर्म और यह भेष, यह सब निज वैचित्र्य विशेष  
डालो अन्तर्द्रिशी निमेश, देखो अहा! एक हाइ त्रान  
विश्व बन्धुता मे हाइ प्राण

In this big world of ours, where countries are in the race with each other to be at the top, nobody thinks even a bit about the ways they are using for the same or what its consequences are going to be. They all end up in war with one another with nothing in their court.

But is war really the answer for everything?

It has been so many years, lot of countries is trying to prove their superiority but even in 50 years' time they found no light at the end of the tunnel. War gets you nothing but only a world of misery and depravity. So, why not think of a place where everyone is equal, of a place where only love resides, of a place where peace is the foundation stone. Taking in mind the same idea Mr. Anthony started his initiative "A walk for peace".

Starting on feet from Hyderabad, it took him almost one month to reach Nagpur. But his journey doesn't end here. The big distance couldn't make him weak. In fact he got even more motivated to finish off what he started. He pledges to cover the nine neighboring countries on foot and spreading only one message i.e of harmony and peace. He is setting an example for each individual out there. He requests all to preach nothing but peace. Indeed the idea of a man's faith moving mountains can be truly seen in this man's hardship and dedication. He has left everyone thinking. If a man being so selfless and so determined strives to bring about this big a change and attain world peace, imagine what would happen if everyone starts to think the same way and join him in this noble cause.

Wouldn't the world become a great place to live in? Think about it!

**"A country's greatness lies in its undying ideals of love and sacrifice that inspire the mothers of the race" - Sarojini Naidu.**

Soaked in the delightfulness of the colors saffron, white and green, the students of St. Vincent Pallotti College of Engineering And Technology celebrated the 70th Independence Day amidst zeal and enthusiasm. The host of the faculty members and students attended the celebration with patriotic fervor to re-affirm their commitment towards the Indian flag and the nation. The National Flag was hoisted by the chief guest Col. Atul Dhabe as a mark of faith, of love, of oneness and of a better tomorrow. Col. Dhabe, the chief guest, in his address, emphasized on the importance of the role of technology in development of each and every individual of the nation. He exhorted upon the students to follow path of righteousness and work diligently to bring laurels to the country. The theme of celebration was, "70 years of Tryst with Technology" to acknowledge the seven glorious decades of India's technological advancements. There was tree plantation session by the members of NSS. The Friends Care Foundation (FCF) in collaboration with NSS and Holistic development department had also organized couple of; "Minute to win it" games for all the students. The celebrations concluded with a flicker of nationalism burning in everyone's heart.

**BRIEF REPORT / SUMMARY OF ACTIVITY: -**

This year, friends care foundation, under the aegis of NSS, in association with the holistic a department was back with 'Dare to Win It in a Minute' with twice the energy and enthusiasm.

After the cultural program, the event was inaugurated by colonel Dhabe. The students rushed out of the open ground into the little area in front of the workshop trying to fill tubs of water with their bare hands or arrange gems with pencils within the one minute time frame. The minutes turned into hours as the dj blasted away and the students played and won prizes. The event faded into an end as the students left for home, leaving behind a charitable amount of profit that would soon be used to reflect the smiles of the day on the ones in the city that need it the most.

**BRIEF REPORT / SUMMARY OF ACTIVITY: -**

Every year the Ganesh Utsav is celebrated with great festivity in India. This is a very auspicious festival celebrated to pray to the god so that every new activity that is started is successfully completed without any obstacle. The Ganpati immersion is also a great jollification, especially in Maharashtra. This year NSS team of St. Vincent Pallotti College of Engineering & Technology, Nagpur decided to give awareness about “Eco Friendly Ganpati Immersion” amongst public. So the NSS faculty coordinator along with the students reached at various immersion locations across the entire Nagpur like Phutala Lake, Sonegaon Lake, Sakkardara Lake and Manish Nagar artificial tank. They conducted this awareness drive on 5<sup>th</sup> day, 7<sup>th</sup> day and 10<sup>th</sup> day of Ganpati Immersion, i.e. 9<sup>th</sup>, 11<sup>th</sup> and 15<sup>th</sup> October 2016.

They tried to convince people to immerse their idols in immersion tanks only and collected the Nirmalya from them. They also aware them to maintain the cleanliness of the lake. The people appreciated NSS volunteers for initiating this activity and giving their precious time to make environment Eco friendly. It was wonderful Experience. Looking forward to see a greener Nagpur!

**BRIEF REPORT / SUMMARY OF ACTIVITY: -**

The 68th Republic Day was celebrated in all its solemnity and grandeur at St. Vincent Pallotti College of Engineering and Technology on 26th January 2017. The youngest Tech Pallottine Mr. Harsh Shende had the honor of hoisting the National Flag. The students saluted the National Flag and pledged themselves to upholding the honor and integrity, diversity and uniqueness that is “India”.

A musical dance performance was presented by the students which was a collaboration of live instrumentalists and dancers which depicted the Indian unity in diversity. Epic verses of marvelous poetry were recited by the principal of SVP CET Dr. V. V. Sohoni. The whole college joined him and the melody reverberated in the surroundings. The melodious music and graceful movements of the dancers were spellbinding. The talented and artistic students of SVP CET presented a unique performance by extracting the melodious sounds from the inanimate and scrap objects. Later the winners of the College Fest Insight were felicitated.

The students dispersed after enjoying the sweets with the image of the fluttering tricolor in their minds.

**“#BE BOLD FOR CHANGE”**

*"Women are the Real Architects of Society" – Harriet Beecher Stowe*

International Women's Day (March 8) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity.

The intention of celebrating this day is to revive within people the feeling of being thankful and acknowledging the contribution women have made all over the world, inspiring many and planting a seed of hope in all those trying to make a mark in this world in spite of facing various challenges.

The event was coordinated by Prof. P. M. Tarwatkar (NSS Program Officer) & Prof. Prajakta Bodakhe .

So let’s applaud women who make a remarkable difference at home and in society!

**BRIEF REPORT / SUMMARY OF ACTIVITY: -**

On March 10, 2017 the NSS volunteers of department of mechanical engineering organized a water conservation pledge taking ceremony for all NSS volunteers of college unit. The pledge was taken as a part of initiative by college in association with a NGO Walk for Water, set up with the sole aim of providing clean water access to one and all.

NSS volunteer Mr. Kailash Tighare and Mr. Shubham Gode made the arrangements for event while Ms. Rutuja Naik and Ms. Ashwini Bansod played host and administered the water pledge. The NSS volunteers pledged to use water judiciously.

Informative videos were played out to student volunteers regarding the scarcity of water we all might face in future. The event culminated with a group photo of all the NSS volunteers.

**BRIEF REPORT / SUMMARY OF ACTIVITY: -**

In today's society we are facing the imbalance of a different kind, intellectual imbalance. On one side we have the best minds in the country doing world class research, while on the other hand we have children struggling to pass class Xth. It is imperative that the NSS is made aware about these ills, and the need to find solutions.

To address the above issue, a group of volunteers of IT department have started Computer teaching to the students of '**Gurukul Ashram School, Udasa**' under the auspices of the NSS. This activity has been started from 21 Aug 2016 and will be continued in coming month on each Sunday.

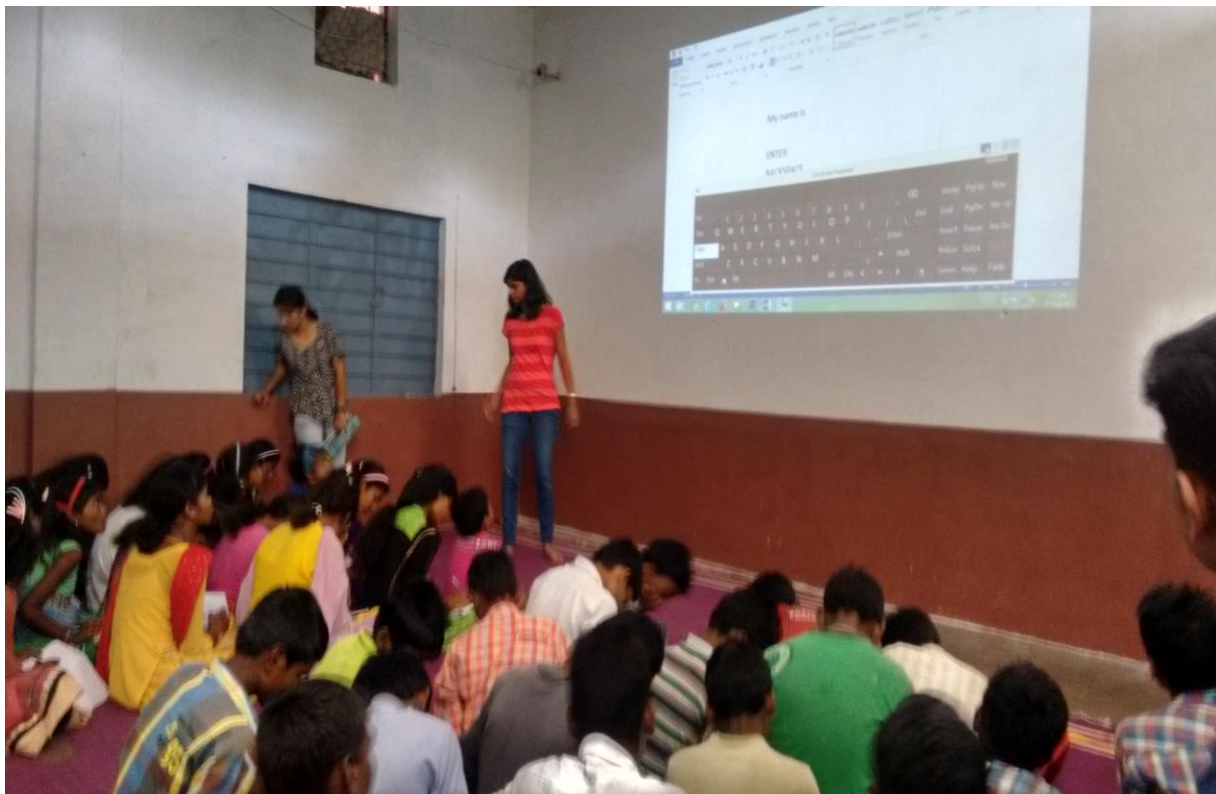

The **NSS volunteers** are actively participating in teaching in these classes. The children of Gurukul ashram school have not only improved in computer skills; they have significantly improved their self-esteem as well.
