BRIEF REPORT / SUMMARY OF ACTIVITY: -

A guest lecture on 'Mind Management and Effective Studies' was organized by the Department of Electronics and Telecommunication on 24th June 2017.

Mr. Aman Budhraj, the guest speaker, lead the session. He graduated from VNIT Nagpur, began his career with IBM, Bangalore and currently is working with Persistent as Team Lead.

The lecture was initiated with the objective of deepening the awareness of personality development and stress management among students. Initially all the students were asked to write a few answers to the questions given by Mr. Aman. The questions included: 1) What are your strengths? 2) Which parameters are important for success? 3) What are the 5 qualities that you want to improve in yourself? To which the students eagerly answered, few of them were made to share their strengths and qualities among the students.

Mr. Budhraj then shared his own experiences as a student, explaining the importance of public speaking and mind management. Addressing the crowd on stress management Mr. Budhraj explained how meditation can help in staying stress free, stating the many benefits of meditation and his own experiences. Next a meditation activity was conducted, students were asked to close their eyes and relax their minds as he gave instructions to them. The overall session proved quite beneficial to the students.

The lecture concluded with a short feedback session. A number of students came forward sharing their experience.

“Celebrating the 71st Independence Day with Colors of Revolution”

The 71st Independence Day was celebrated with great enthusiasm and patriotism, clearly visible in the eyes of students and faculty members. The day’s program began at 9 a.m. with flag hoisting by the Chief Guest, Wing Commander G.L. Nagendra, in the presence of Management, teachers & students. The Chief Guest took the students down memory lane sharing his varied experiences and his take on the Indian Air Force. He also encouraged students to join the armed forces, becoming an asset for the country.

Celebrating diverse cultures of India and the unity within, one could witness an extravaganza of brilliant performances put up by the students, paying a tribute to the tricolor. A captivating musical show was brought forth by the College band, lending their voice to beautiful classical notes. Cadet. Kevin Paul with great fervor spoke about the sacrifice willingly taken up by the soldiers of our country on our behalf, while Sagar Dewale, through a mono-act, passionately expressed his love and deep desire to serve the country.

“Breathe Easy.... Let’s Plant Some Trees”

“Imagine a Fish without water, can it survive?”

Now Imagine a World without Trees, can we survive?

-- The Fresh Quote

For a better and greener tomorrow, we need to act now and plant more trees. Taking a step towards this, the Department of Electrical Engineering, under the banner of NSS, organized a Tree plantation program on the eve of 71st Independence Day. Wing Commander G L Nagendra, the Chief Guest of the function, planted the first sapling. Other departmental faculty coordinators along with NSS volunteers planted the rest of the trees in the college campus. Prof. Prafull Tarwatkar, NSS Program Officer, was the event coordinator.

BRIEF REPORT / SUMMARY OF ACTIVITY: -

Festivals are always fun and enjoyable; the manner of celebrating should be eco-friendly. Last year onward, the NSS team of our College, decided to create awareness and promote '**Eco Friendly Ganesh Idol Immersion**'.

The NSS faculty coordinator along with students on the 5th of September 2017, reached various immersion locations across Nagpur where lakes are situated and artificial tanks were placed, strongly conveying the message of maintaining cleanliness. Even the public began cooperating with our volunteers. The NSS team also raised slogans explaining the ill effects of using idols made from plaster of paris (POP) and its impact on nature. This was a proactive initiative on the part of this team.

Prime Minister's Interaction

The Hon. Prime Minister of our country, Shri. Narendra Modi addressed the students' convention on the 125th anniversary of Swami Vivekananda's Chicago address and Pt. Deendayal Upadhyaya's centenary celebrations at New Delhi's Vigyan Bhavan on 11th Sept, 2017.

The theme of the address was '**Young India, New India- A Resurgent Nation: from Sankalp to Sidhhi**', focusing on Vivekananda's teachings in the present-day context. Swami Vivekananda's address of 11th Sept, 1983 was about love, harmony and brotherhood. Shri. Modi said Vivekananda strongly believed in the power of 'Yuva Shakti' and saw a vital place for youngsters in the realm of nation building, his words "My Brothers & Sisters, gave the world a message of universal brotherhood. There is no better place for creativity and innovation than the university campus.

The Prime Minister further shared his achievement of starting Atal Innovation Mission AIM through NITI Aayog. He also spoke about the importance of cleanliness, stressing that student organizations, while campaigning for university elections should highlight the importance of cleanliness. He said India is changing and her standing at the global level is rising due to Jan Shakti, she can become Vishwa Guru if we put into effect Swamiji's words 'Follow the Rule, India will Rule'.

'Small acts when multiplied by millions of people can transform the world'.

The NSS team from CE & IT Department organized a school visit to Mahatma Fule School, Khapri on 23rd September, 2017, aimed at imparting basic knowledge of a computer system and its working to the children.

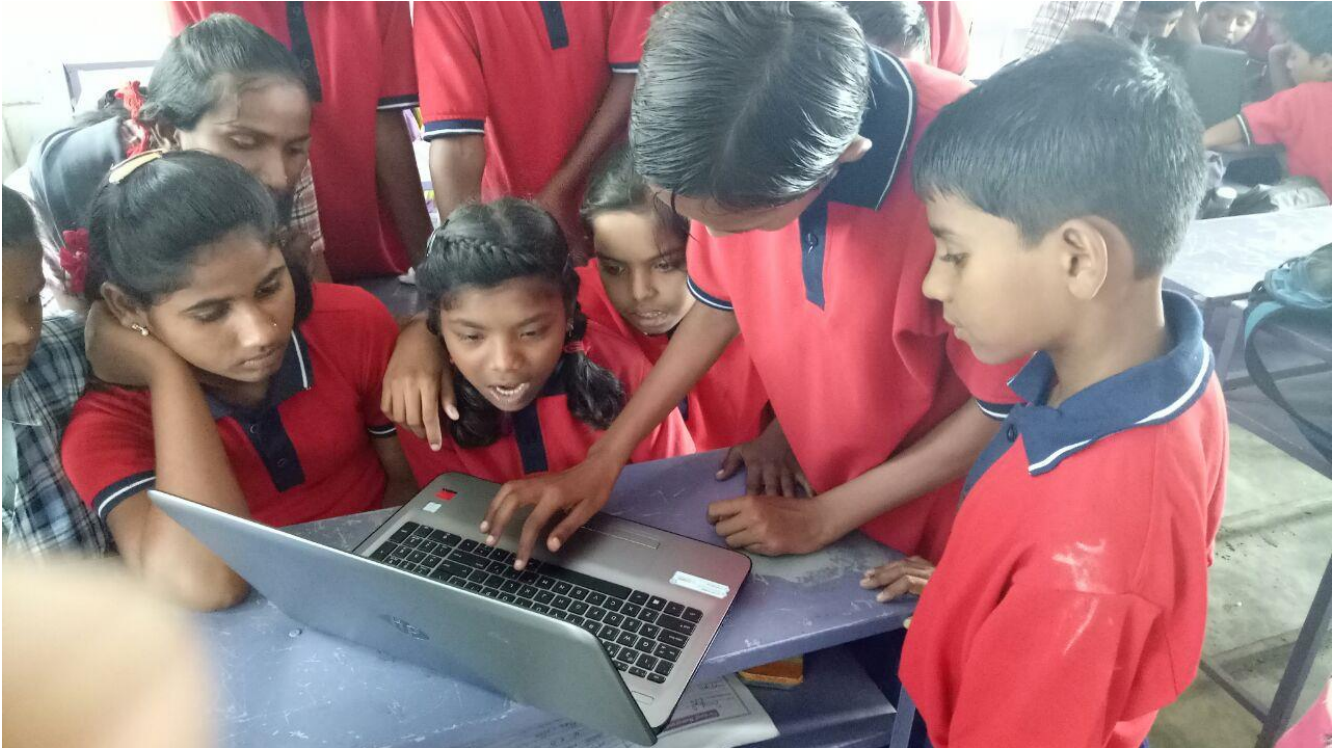

This activity stirred up a spirit of voluntary self-initiative among the Tech Pallottine students to reach out to gen-next. The session started with an interactive facilitation on Computer Systems and its transformation in more compatible version-laptops. Along with this, few fun activities were also planned out for the children such as- story creation, quiz on basics of laptop system, the number game and more. The winners were appreciated with gifts and chocolates.

Through this activity students were self-encouraged to do something different from their everyday busy schedule, it was a pleasure for them to reach out and serve others in small ways.

BRIEF REPORT / SUMMARY OF ACTIVITY: -

Under NSS unit of SVPCET, department of IT department have conducted one street play on “Position of women on Indian society”. The woman in modern times is entering into certain new fields that were unknown to the woman’s sphere of role-sets. They are activating participating in social, economic, and political activities. Still it appears that Indian woman is not treated at par with man in social and family life. This act was basically focused on “What if men will be treated like women?”.

This activity was conducted to spread a social message of equality. We got huge response from the students of all the departments. All of them enjoyed the act and learn good out of it.

BRIEF REPORT / SUMMARY OF ACTIVITY: -

On 29th Jan, 2018, the SVP CET NSS unit organized a seminar on Swachh Bharat mission, a mission launched by our Prime Minister as '*Clean India Initiative*'. The event involved an interaction with the Assistant Commissioner of NMC who briefed students about the Swachhata app created for this mission.

The program began with Prof. A. D. Pachchhao, HOD of Mechanical Department, welcoming the Chief guest Mr. Anil Kolhe also Co-co-ordinator of Swachh Sarveskshan 2018 and Dr. Lanjewar extending a floral welcome to D.P. Tembekar.

In his address the Chief Guest shared the initiatives taken by NMC through launching of the android based Swachhata app depicting how technology can be used for cleanliness. He informed that any citizen could make an online complaint by clicking the picture of an unattended garbage and upload it onto the app. The NMC on receiving the photo and location would clean the remote place uploaded. The best part about this app is that the complainant would be updated about the progress of NMC work. Students were asked to download the app on their cellphones and register their details, around 110 registrations were done immediately by the students presents.

The guests were gifted a memento by Prof. Kanchan Wagh and Prof. Priya Parkhe. At the end all sang the National Anthem.

Special Children' Captivate Us with Their Presence

On 31st Jan 2018, the NSS unit of our Institute played host to students from Jeevoday Special School. The school is located at Residency Road, Sadar, Nagpur and was established in the year 1989 for imparting education and training to the less privileged, marginalized special children and youth of the society. At present the Special School has 300 students.

Around 80 of them along with Sr. Josna (Principal) and school staff visited our Institute. Later these special students treated all with an array of singing and dance items. It was indeed delight to the senses watching these young ones so colorfully dressed and innocent as ever presenting such a lively cultural program.

Mr. Anthony Besterwitch anchored the program, attended by students, faculty members, staff and Management of the College.

BRIEF REPORT / SUMMARY OF ACTIVITY: -

The Student members of Pallottine Youth Forum initiative of St. Vincent Pallotti College of Engineering & Technology, Nagpur organized a Swatch Bharat Abhiyan in the Rui Village, Jamtha on March 22nd, 2018. The main motive of the event was to acquaint the people with the need of keeping their surroundings clean and to maintain a healthy environment. The event was hosted by Arti Nagrale of 4th year. The event started with a speech by Arti herself, firstly inviting the Sarpanch & telling the people the importance of healthy environment. It was followed by several videos on why it is important to keep the surrounding clean. A team of first year students enacted a small play depicting how people keep their surroundings clean, how it affects them, and what precautions they should take to eliminate all those affects. They also put up a great dance engaging the small children along with them. At the end Father George explained the people the importance of SWATCHTA. At last he felicitated the sarpanch of the village with a sapling, and a promise that our students will be frequently visiting the village for several other activities. At last the sarpanch felicitated the students with a trophy and best wishes for future.
